INTEREST

Brian Newmark is a big fan of Porsche automobiles. Newmark ordered a Boxter when they first came out in 1997 and a 911 Cabriolet years later. More recently Brian bought his childhood dream car a 1972 Porsche 914 2.0 and late a 1973 2.0, the most coveted of the 914s, behind a 914-6.

Having twice chartered a yacht with friends, Newmark has developed a strange fascination with yachts. While owning a 100+ foot cruiser is probably not in Newmark's future, he never tire of reading about them. Showboats Magazine is the last paper magazines he receives.

Brian has traveled extensively throughout Europe, Asia, Central and North America. To stay in shape Brian Newmark jogs 3 miles a day.
